

# MILENE TOAZZA

Front-end Web Developer

## PROFILE

Hello. My name is Milene Toazza, I'm 23 years old and I'm a front-end web developer. So, last year I graduated in advertising school at Porto Alegre. But surprisingly I found myself in the development, and now I'm studying and working with front-end web development. I love coffee and design. My favorite hobbies are read fantasy books, watch anime and play games.
